

# HBARWC General Policies

## DELIVERY METHODS

The HBARWC does not provide retail based products and as such does not provide delivery of any retail products.

## REFUND POLICY

Since the HBARWC is an 'Event' based organization where registration is required for attendance, the Association does not provide 'Refunds' unless an event has been cancelled by Management. A registrant may notify Management according to terms noted on a particular registration form that he/she wishes to cancel a registration prior to a scheduled event and request a refund at that time.
