

Beautiful whole house renovation, rear addition, and newly renovated guest house in the historic Cameron Park neighborhood. This extensive renovation of the main house includes these elegant custom features: gourmet kitchen with Subzero refrigerator, wine cooler and Blue Star range and hood, quartz countertops with waterfall island countertop, custom wainscoting and crown molding throughout, custom wood features by Raleigh Reclaimed and many others too numerous to name. The guest house in the back was also fully renovated including: a new kitchen, bathroom, laundry closet, and rear covered entry. The property also features a new stone retaining wall, new concrete driveway with paver parking pads, new paver patio, and new double carport.

DIRECTIONS

Take I-440 to Western Blvd exit toward downtown/NC State University. Continue on Western Blvd for 1.8 miles and turn left on Pullen Road. At the traffic circle, continue straight to stay on Pullen Road. At the next traffic circle, take the first exit onto Hillsborough Street. Continue on Hillsborough Street for .2 miles and then turn left onto Forest Road. The house will be on your left.
