

Without sacrificing any of its original charm, we were able to remodel this beauty to give it a bright and open feel. What began as a 1,036 square foot house with 3 bedrooms and 1 bathroom, turned into a 1,369 square foot home with 3 bedrooms and 2 full bathrooms. The reimagined kitchen and living space, as well as the master suite addition, make this home a definite must see!

DIRECTIONS

From Five Points intersection, take Fairview Road east. Turn left onto Wake Forest Road. Turn right onto Mills Street. Home will be on your left.

From I-440, exit onto Wake Forest Road towards downtown. Turn left onto Mills Street. Home will be on your left.
