The HBA offers five Councils to further your membership experience. All Councils are open to Builder, Association, and Affiliate Members.

REMODELERS COUNCIL - Together the HBA and the NAHB Remodelers give you the tools you need to build your remodeling business. Welcoming both Professional Remodelers and Associate Members, the Remodelers Council promotes and supports the remodeling industry by offering awards and recognition, showcase, sponsorship, educational opportunities, networking, and social functions. The annual Remodelers Home Tour and the STAR Awards (Showcasing Triangle Achievements in Remodeling) honors several top categories and captures the public's attention. Local HBA Council members also become members of the NAHB Remodelers Council, which is committed to responsible business practices, quality construction, and reliable customer service through industry-leading programs in education, networking, marketing, advocacy, and recognition of excellence. Annual fee is \$125/year.

TRIANGLE SALES & MARKETING COUNCIL (TSMC) - Make connections and build your career through the information, education, recognition, and networking resources of the TSMC. This Council supports the new home sales and marketing industry. It is affiliated with the National Sales and Marketing Council (NSMC) and offers professional educational training through the Institute of Residential Marketing (IRM), Certified New Home Sales Professional (CSP), speakers, special seminars, and other programs. In addition, it provides an effective forum for the exchange of ideas with local, regional, and national experts and recognizes members' professional achievements through a variety of awards programs, most especially MAME (Major Achievements in Marketing Excellence), as well as networking opportunities through monthly meetings. Annual fee is \$125/year.

HIGH PERFORMANCE BUILDING COUNCIL - The High Performance Building Council was launched with the primary purpose of promoting building techniques and materials that produce homes which consume less energy and other resources, facilitate better indoor air quality, and provide a more durable product requiring less maintenance. The High Performance Building Council actively promotes green building in the Triangle through the annual Green Home Tour and a wide variety of green building educational programs. The group has a diverse membership, including builders (both custom and production), energy raters, remodelers, real estate agents, an attorney, a magazine publisher, an insurance agent, and a variety of vendors. Meets as needed. Annual fee is \$75/year.

Your remittance represents your annual membership dues in the Home Builders Association of Raleigh-Wake County. With this payment you acknowledge that a portion of these dues also covers your membership in the North Carolina Home Builders Association and the National Association of Home Builders. You agree to abide by the Constitution and Bylaws of all three organizations.

Dues payments to the Home Builders Association of Raleigh-Wake County are not deductible as charitable contributions for federal income tax purposes. However, dues payments may be deductible as ordinary and necessary business expense, subject to exclusion for lobbying activity. Since a portion of your dues is used for lobbying by HBA, NCHBA, and NAHB, \$44.47 (builders) or \$44.18 (associates) is not deductible. This portion of your membership dues goes to support the HBA Issues Fund.
